Nancy, 06/23/2024

Dear shooter,

Our club is pleased to organize a Metallic Silhouettes Challenge on September 21 and 22, 2024. This challenge will be governed by the modified IMSSU rules (shoot 5 animals in 2 min, pause 1min, shoot 5 animals in 2 min, for all disciplines, including rifle), all disciplines are open with the exception of large-calibre rifle.

This challenge will be called :

“GUY BARTHELEMY CHALLENGE“

In honour of our friend Guy, one of the founders of the Javeline, who passed away last May. A minute's silence will be observed in his memory at the awards ceremony.

Registrations duly completed with the names of the shooters and coaches must reach:

- By postal mail to LA JAVELINE NANCEIENNE BP 83894 54029 NANCY Cedex FRANCE
- Or email to javelinenancy@gmail.com

We draw your attention to the fact that the facilities and our organization allow us to achieve a maximum of 110 shots over two days across all disciplines. Thus, in case of excess number of shots, we will unfortunately be forced either to limit the number of shots per shooter, or to refuse registrations. Similarly, in case of high attendance, we can not guarantee cross coaching.

The Small Bore Unlimited will be shot only on Saturday afternoon, the Big Bore Unlimited will be shot only on Sunday afternoon. THERE WILL BE NO SHOOTING AFTER THE UNLIMITED.

Also, to allow us to satisfy everyone, you will want to respect the deadline for returning registrations:

imperatively by september 10th, 2024 at the latest

The entry price per discipline is 15 euros adjustable before the match. The coaches will lift up to 100m and mark the points. In the case of multiple shots for a tandem coach-shooter we will spread the matches over 2 days beyond 4 commitments for each of 2 in total. For the 3 aggregates Small Bore, Big Bore, and Standing, the 4th engagement by shooter will be offered.

Ties will be broken by reverse counting of the animals.

The award ceremony will take place on Sunday september 22th around 4 pm.

Looking forward to your reply, receive our best sports greetings.

The President
Frédéric FEVE
